

Jennifer Gonzalez

Smart solutions for teachers,
delivered straight-up.

National Board Certified Teacher, author, and Editor-in-Chief at **Cult of Pedagogy**, Jennifer Gonzalez blends her broad pedagogical and technical knowledge, down-to-earth honesty, and sense of humor to deliver inspiring keynotes, practical hands-on workshops, and personalized coaching.

Because every event and group is different, Jennifer will customize a package of services for your unique needs, including pre-event consultation and resources your group can continue to use long after the event has come and gone.

Featured Topics

RESEARCH-BASED INSTRUCTION

Looking for new ways to reach your students? Discover and practice research-based strategies to engage learners, nurture deep thinking, and strengthen long-term memory.

SUPPORTING STUDENT READERS AND WRITERS

Teachers in all subjects are now expected to support student reading and writing. Explore a handful of surprisingly easy ways to do this without taking time away from your content.

SMART TECHNOLOGY INTEGRATION

You don't have to use all the tech, all the time. Instead, do a thoughtful assessment of your needs and build a menu of tools and processes that are a perfect fit for you.

BUILDING STRONG RELATIONSHIPS WITH STUDENTS

Relationships are the foundation of a successful classroom. Learn simple techniques to make genuine connections with every student.
